Project Report Template

5 ADVANTAGES & DISADVANTAGES :

1. Got basic idea about the result and know about area which we need to focus for further process.
2. Identify the percentage of present work output and then cover the remaining work by their internal score.

DISADVANTAGES :

1. It will give over confidence and shows the negative side as not a big issue.
2. It will create the unwanted rumours over the surroundings.

6 APPLICATIONS :

1. Current calculation of our work.
2. Guide to rectify the negative things to positive things.
3. Focus on particular thing to focus.
4. It shows our current status.
5. Specify the area needed to focus for future.

7 CONCLUSION

This will help as to focus on particular area and identify the mistakes.
Initial calculation helps as to carry in positive way.
Candidate take this as mark as series and move further .

8 FUTURE SCOPE

This CRM system is best for candidate who are already leverage for their work
this system could help candidate members to achieve best result in future
